# SUSTAINABILITY DIALOGUE

## YOU'RE INVITED

**Wednesday, 29 March 2017**  
**4:00pm to 7:30pm**  
**Shangri-La Hotel, Singapore**  
**22 Orange Grove Road**  
**Tower Ballroom, Level 1**

Join distinguished speakers in discussing the impacts of corporate social-consciousness on consumer trust and investor interest. Be involved in the conversation around today's sustainability issues through a networking session.

Panel One:

### **Developing a Successful CSR & Sustainability Strategy**

CSR should benefit its shareholders and society through shared values. Can companies develop a strategy to gain stakeholders support, on an agreed set of value goals?

Panel Two:

### **What Are the Returns on Investment?**

Compliance policies demand for environmental and social accountability. With new ROI measurements like ESG reporting, how would disclosure impact businesses?
